Our first gold leaf!

A huge thank you to all of those generous people who have donated to the *Korowal on the move* fundraising campaign.

We were thrilled to hang the first gold leaf on our fundraising tree!

Each gold leaf represents \$50,000 raised. Our target is 20 leaves "growing" on the tree by the end of 2007.

Photographs

Thankyou to those who have sent photographs. We are still looking for faces smiling directly to the camera (for a newspaper advertisement, so the resolution and clarity need to be very good) and all aspects of life at Korowal (for the website, so the resolution doesn't need to be as good.) Preferably, email them to acarment@bigpond.net.au or leave in the "marketing" pigeonhole in the staffroom.

In your words...

Some quotes from the “Korowal in your own words” forms. There are many more.

Please keep them coming – we will use extracts on the website.

You can fill out the form online on the *Korowal on the move* page of our website.

Korowal is like a big family. Everyone takes care of each other.

Teachers respect your feelings.

You get all the attention you need from your teachers.

...more like an extended family than a school.

I feel I can give my opinion and not be judged.

.... respect and freedom. You don't feel pressure to be anyone but yourself.

Year 9

I love the fact that everyone is always positive.

I feel peace.

Less pressure.

Korowal means 'be happy'.

Creating craft, fun education.

Friendship, fun, colour, happiness, teachers, peace, books.

It's like a big hotel where you stay for the day and go home in the afternoon.

I really like all the teachers and children, and even learning.

Not wearing a Uniform, because you aren't allowed to get uniforms dirty.

There's lots of really lovely children, and I like to play with every single one of them.

We get taught really good (!)

It's really Joyful.

Korowal on the move

Fundraising campaign

We have received some great suggestions for fundraising for *Korowal on the move*.

We are now seeking people to help make some of these ideas a reality. If you think you might be able to contribute some time, please ring Wendy Monaghan 4759 3392 for more information, email: wendylm@ozemail.com.au or come to the *Korowal on the move* office on a Monday or Friday. You can also pop a note in the ideas box inside the front door of the main office.

TAX TIME

All donations to the Korowal Building Fund

Korowal Cookbook

Would you like to help put together a Korowal cookbook in time for Christmas gift-giving?

We think this would be a great fundraiser for our campaign!

We need a volunteer to collect and collate recipes from Korowal families. We already have an editor, but we'd love like to hear from you if you can help with graphic design or printing.

Can you help?

Please call Wendy on 4759 3392 or call into the KOM office on Mondays or Fridays.

Art Exhibition

We are planning to hold an art exhibition and sale in December this year, as part of the *Korowal on the move* fundraising campaign.

We invite artists and craftspeople to consider donating an artwork.

We intend to hold two exhibitions: one in the Mountains, another in a Sydney gallery.

If you are able to help organise the exhibition, would like to donate an art work, or would like more information, please phone Kath Veel on 4757 2253.

Korowal CD

Are you a musician? Or have you always wanted to work in the music industry?

How about volunteering to help produce a Korowal CD?

This is another great fundraising idea suggested by a Korowal parent. We think it would be an ideal Christmas gift.

If you would like to get involved, please ring Wendy on 4759 3392 or call into the KOM office on Mondays or Fridays.

Computer and software sale

(All proceeds to the *Korowal on the move* fund)

We have for sale

- | | |
|--|--------|
| • 5 Pentium 4 computers with 17 inch CRT monitors | \$ 120 |
| • 6 copies of Photoshop Elements | \$ 35 |
| • 1 collection of parts to make your own computer and more | \$ 35 |
| • 2 pieces of new DDR2 RAM, 256 MB each | \$ 15 |
| • 2 laptop carry bags | \$ 15 |

The computers were used in our office, and they are in perfect working order. They do not have Windows, but we can supply the Ubuntu operating system and all the software you may need for free.

First in, first served.

Be quick, this bargain won't last for long!
