

## KOROWAL IN YOUR OWN WORDS

We would like to collect “testimonials” about Korowal from parents, students, teachers, ex-students, and the families of ex-students. We hope that together these will paint a word picture of the rich educational community and experience that is Korowal.

Please take the time to fill in this form. Please encourage your children, parents, siblings and friends to do the same. Use more pages if you require. Young children may prefer to draw or paint their “testimonials” than to write.

You can return completed writings and drawings to the school office, or email them to [acarment@bigpond.net.au](mailto:acarment@bigpond.net.au)
