4. SHORT AND LONG TERM OBJECTIVES

VISION

We are a recognised leader in providing inspiring educational experiences within a school that is small, enabling authentic relationships. Our students, parents and teachers know, understand and care for and about one another.

MISSION

- To foster the holistic development of students intellectually, socially, emotionally and physically in order to reach their full potential.
- To bring out the very best in each child and young adult, cultivating qualities of critical thinking, creativity, empathy, responsible self-awareness and resilience.
- To acknowledge the equal worth of every person in all of our relationships.

Korowal School is committed to:

- Providing education for students from Kindergarten to Year 12 consistent with the values and ethos statement as detailed in the school foundation documents.
- Confirming the school's reputation as a provider of quality, creative and innovative educational practice.
- Providing a comprehensive education within an environment that is nurturing, small in scale, creative, reflective.

A Voice

- We aim to foster recognition of the school as a leader in human centred, small-scaled education.
- To advocate on behalf of students, teachers and parents for sound national education policies and practices.

DIRECTORS' REPORT (continued)

4. SHORT AND LONG TERM OBJECTIVES (continued)

Sustainability and Inclusivity

- We aspire to become more sustainable. We began discussions in 2016 around solar energy at Korowal. We are seeking grants to assist with energy and water sustainable practices.
- We continue to upgrade our grounds and facilities to accommodate universal accessibility
- Our educational programs are inclusive and acknowledge diversity

Resources

In 2018 we:

- Continued sound financial and business management practices that enable the school to meet its key financial commitments.
- Secured further funding through the Disability Access Scheme for a pathway extension to the ball court and meadow, as well as a Building Grant Authority Capital Grant for projects which commenced in 2017 and continued into 2018. This included covered walkways and parking, electric opening doors, an ability access toileting facility and shade cloths for high school.
- Developed a MakerSpace area in the Primary School. The bus was donated by our Primary School Coordinator and has been refitted to provide students with various STEAM activities and introduced our afterschool Code Club.
- Installed air-conditioning in several classrooms.
- Implemented a new administrative system, Sentral.
- Created a separate Drama space which made the hall available for all Physical education classes k-10.
- Purchased a second school bus.
- Redeveloped the pathways common room.
- Developed a new school website.
- Installed a new demountable classroom for high school.
- Refitted the Science Labs and built a further storeroom.
- Developed spaces for Mandatory Technology in the High School as we planned for the implementation of the New Technology Mandatory Stage 4 syllabus, with water engineering, planter boxes, a pizza oven, and new benches for the students work areas.

Educational

In 2018 we:

- Continued our review of Policies and Procedures, refining terms and processes.
- Commenced the research and early scoping stage of Oracy at Korowal, making contact with School 21 in London and Oracy Cambridge. A trial was commenced with Year 6.
- Set up our Learning Hub in the high school for student support and extension, three mornings per week.
- Worked with an Occupational Therapist to provide specific small group activities in both Maths for Year 7 students who were disengaged, and English extension activities.
- Continued to incorporate John Hattie's work on Visible Learning, increased collegial planning and feedback,
- Introduced 'Open Dialogue' family conferencing with our Wellbeing Coordinator
- Primary staff engaged in a twelve month 'Science Research to Practice' (AIS) Program, as well as Jolly Phonics Training with Continuing Professional Development College (CDP).
- Reviewed teaching resources and facilities.

DIRECTORS' REPORT (continued)

4. SHORT AND LONG-TERM OBJECTIVES (continued)

Educational (continued)

- Forged international relationships: High School students visited Genkai Mirai, our Sister School in Japan. We booked for our first visit of Year 6 students, staff and parents to visit our Sister School in Hangzhou for April 2019. Planning commenced for our Nepal Trek in 2019, and visit to our Garma Sister School with fundraising for their facilities.
- Forged local and national relationships: several students represented the school in AICES sporting events including swimming, athletics and cross country. One high school student represented Korowal at the State Swimming meet. We were engaged in the local schools debating program.
- Participated in the Blue Mountains Debating, Inter-schools sports Gala Days
- Promoted respectful relationships throughout our School
- Continued to increase Bush School opportunities in primary.
- Welcomed Wild Ground Bush Playgroup to Korowal in 2019.
- Enjoyed a whole of Primary Play.

Community

In 2018 we: Continued to run the Korowal Studios with expert tuition in musical instrumentation and drama.

- Participated in local sporting events in futsal, Aussie Rules Gala days, Basketball round robins.
- Senior drama students performed works for the School community, as did our junior Drama elective.
- Participated in surveys 'The balanced Scorecard', conducted by the AIS.
- Contributed towards fundraising events for the Rowen Wkeng and the Nepalese Schools Project, Fiver for a Farmer,
- Participated in a variety of debating, sporting events and community events. Our students and families participated in a number of larger community events such as the Lawson Festival, Leura Harvest Festival, Wentworth Falls Arts Festival as Neill's Armee Jazz band entertained at school and local events.
- Enjoyed celebrating our students' work and community at our Annual Open Day and Fair.

5. STRATEGIES FOR ACHIEVING OBJECTIVES:

- In 2018 the Korowal School Board and management worked with our strategic plan Focused on professional development of staff to enhance the student learning experience: Accenting differentiated programming for our students.
- Promoted community connections: The school welcomed several short stay international students and advertised with international agencies to encourage global citizenship.
- Increased administrative supports: We implemented aspects of our educational administration software EDUMATE to provide more efficient systems and access to student information.
- Continued our review of welfare and wellbeing policy and procedures: Restorative Practices continues to assist us with communication strategies as a community, strengthening welfare and wellbeing.
- Promotions and marketing: Korowal held several Information Mornings and our annual Open Day combined with our Fair. We ran regular advertisements in local media, and focused on our alumni story.

DIRECTORS' REPORT (continued)

6. MEASUREMENT OF PERFORMANCE

- We maintained our school fee income as a percentage of total income at 40% through efficient collection of fees and allocation of fee discounts and concessions.
- Fee discounts and concessions were designated as 14% of total school fees income.
- We consolidated substantial fees in advance payments through the continuation of a discount payment incentive program.
- We maintained expenditure on staff costs at 74% of total operating income at the same time as providing staff with a 2.5 % pay increase and increasing administrative support for the School executive.
- We maintained expenditure on other operating costs.
- We paid ANZ Bank \$126,122 interest and fees, and \$180,000 as loan principal reduction.
- We held the amount of \$200,000 offset against our Commercial Bill facility for the purpose of employee entitlements.
- Student numbers were stable.
- We continue to reduce the amount of uncollected fees at the end of each year, now at 5% of total fees invoiced,

7. DIVIDENDS

The company's constitution precludes the payment of dividends to its members.

8. DIRECTORS' BENEFITS

No director has received or become entitled to receive, during the financial year, a benefit because of a contract made, except for those benefits shown in Notes 15 and 16 to the financial statements. Since the end of the previous year the only benefits received by directors relate to award salaries, staff fee discounts, fee needs bursary discounts and award superannuation on the same basis as that disclosed in Note 16 to the financial statements.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF KOROWAL SCHOOL LIMITED

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Korowal School Limited, which comprises the statement of financial position as at 31 December 2018, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

In our opinion, the accompanying financial report of Korowal School Limited is in accordance with the *Corporations Act 2001*, including:

(i) giving a true and fair view of the company's financial position as at 31 December 2018 and of the financial performance for the year then ended; and

(ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis of Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Korowal School Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the consolidated company to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors;

Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern;

Auditor's Responsibilities for the Audit of the Financial Report (continued)

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation; and
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the company to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the company audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS

AT 31 DECEMBER 2018

1. CORPORATE INFORMATION

The financial report of Korowal School Limited was authorised for issue in accordance with a resolution of the directors on 2 May 2019.

The principal activity of the company during the financial year was that of a school, with the company operating in only one geographical location, being Hazelbrook NSW, Australia.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

The financial report is a general purpose financial report, which has been prepared in accordance with the requirements of the Corporations Act 2001 and Australian Accounting Standards. The financial report has also been prepared on a historical cost basis and, except where stated, does not take into account current valuations of non-current assets.

The financial statements have been prepared on the going concern basis. The ability of the company to continue operating as a going concern is dependent upon the continued financial support of the State and Commonwealth Governments and the company's financier.

(b) Statement of compliance

The financial report complies with Australian Accounting Standards, which include Australian equivalents to International Financial Reporting Standards ("AIFRS"). Compliance with AIFRS ensures that the financial report, comprising the financial statements and notes thereto, complies with International Financial Reporting Standards ("IFRS").

(c) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any impairment in value. Depreciation is calculated on a straight-line basis over the estimated useful life of the asset as follows:

- Buildings 40 years
- Plant and equipment 5 to 10 years

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or deficit arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the item) is included in the statement of comprehensive income in the year the item is derecognised.

Impairment

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists and where the carrying value exceeds the estimated recoverable amount, the assets are written down to their recoverable amount. The recoverable amount of property, plant and equipment is the greater of fair value less costs to sell and value in use.

Impairment deficits are recognised in the statement of comprehensive income.

KOROWAL SCHOOL LIMITED
(a company limited by guarantee)
A.B.N. 91 001 581 693

NOTES TO THE FINANCIAL STATEMENTS

AT 31 DECEMBER 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) Borrowing costs

Borrowing costs are recognised as an expense when incurred, with the exception of loan establishment fees which are written-off over the term of the loan.

(e) Recoverable amount of assets

At each reporting date, the company assesses whether there is an indication that an asset may be impaired. Where an indicator of impairment exists, the company makes a formal estimate of recoverable amount. Where the carrying value of an asset exceeds its recoverable amount the asset is considered impaired and written down to its recoverable amount.

The recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset's value in use cannot be estimated to be close to its fair value less costs to sell and it does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash generating unit to which the asset belongs.

(f) Inventories

Inventories are valued at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business.

Costs have been assigned to inventory on hand at balance date using the first in first out basis and are determined based on invoice price.

(g) Cash and cash equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and on hand and term deposit with terms of three months or less.

For the purposes of the statement of cash flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of bank overdrafts.

(h) Interest-bearing loans and borrowings

All loans and borrowings are initially recognised at cost, being the fair value of the consideration received net of issue costs associated with the borrowing. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method.

KOROWAL SCHOOL LIMITED
(a company limited by guarantee)
A.B.N. 91 001 581 693

NOTES TO THE FINANCIAL STATEMENTS

AT 31 DECEMBER 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(i) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

(j) Leases

Finance leases, which transfer to the company substantially all of the risks and benefits incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased property or, if lower, at the present value of the minimum lease payments.

Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income.

Capitalised leased assets are amortised over the shorter of the estimated useful life of the asset or the lease term.

Leases where the lessor retains substantially all of the risks and benefits of ownership of the asset are classified as operating leases. Operating lease payments are recognised as an expense in the statement of comprehensive income on a straight-line basis over the lease term.

(k) Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

Sale of goods

Control of the goods has passed to the buyer.

Rendering of services

Control of the right to receive payment for the services performed has passed to the company.

Interest

Control of the right to receive the interest payment has passed to the company as the interest accrues.

KOROWAL SCHOOL LIMITED

A.B.N. 91 001 581 693

NOTES TO THE FINANCIAL STATEMENTS

AT 31 DECEMBER 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(l) Taxes

Income tax

The company is exempt from income tax under section 50-45 of the Income Tax Assessment Act 1997.

Goods and services tax (GST)

Revenues, expenses and assets are recognised net of GST except:

- where the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables are stated with the amount of GST included.

The net amount of GST receivable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority are classified as operating cash flows.

(m) Government grants

Grant revenue is recognised in the statement of comprehensive income when the company obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the company and the amount of the grant can be measured reliably.

If conditions are attached to the grant, which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the company incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise grant income is recognised as income upon receipt.

Loan – ANZ Tailored Business Facility

The company refinanced its finance facilities in March 2015 with the ANZ Banking Group. The initial facility was a five year rolling commercial bill facility expiring in February 2020 of \$3,050,000. At this time all previous loans owing to Kanowna Hostels Pty Limited and other parties were repaid.

The facility comprises a fixed rate portion of \$2,300,000, with the interest rate fixed for periods ranging from three to five years, with the balance of the facility being at interest rates prevailing at the time of the bill roll-over.

Under the terms of the facility, the company is required to make principal repayments of \$15,000 per month and to meet certain financial and non-financial covenants.

As at 31 December 2017 the balance of the facility was \$2,160,000 (2017:\$2,300,000).

Outstanding bills at that date were \$2,160,000, with the company having made loan offset repayments of \$200,000 in addition to the required monthly repayments.

The bank facility is secured by a registered mortgage over the company's land and buildings and a general security agreement over all present and after-acquired property.

All other financial assets and financial liabilities are non-interest bearing.

Credit Risk

The maximum exposure to credit risk at balance date on recognised financial assets is the carrying amount, net of any provisions for deficits, as disclosed in the statement of financial position.

Net Fair Values

The net fair values of the financial assets and financial liabilities of the company at balance date approximate the book values as disclosed in the statement of financial position.

17. SUBSEQUENT EVENTS

No matters or circumstances have arisen since the end of the financial year which significantly affected, or may significantly affect, the operations of the company, the results of those operations or the state of affairs of the company in financial years subsequent to 31 December 2018.

18. ECONOMIC DEPENDENCY

The ability of the company to continue operating as a going concern may be dependent upon the continued financial support of the State and Federal Governments and its bankers.

19. CONTINGENT LIABILITIES

Building Education Revolution Funding

Funding received by the company from the Federal Government in previous years under the "Building Education Revolution" ("BER") scheme has certain conditions attached. Under the terms of the Funding Agreement, the facilities built using the BER funds are not to be sold and are to be used for the approved purpose for a period of twenty years.

Should the company sell the facilities built using the BER funding, or cease to use them for their intended purpose during the twenty-year period, it may be liable to repay a portion of the BER funding received.
