## DIRECTORS' REPORT

The directors present their report for the year ended 31 December 2023.

### 1. DIRECTORS IN OFFICE AT THE DATE OF THE REPORT

The directors in office at the date of this report are:

Christopher Lee (Chairperson)  
Mat Spiteri  
David Wright

Greg Lucas  
Michelle Montgomery  
Nathanael Hunter

### 2. PRINCIPAL ACTIVITIES

The principal activity of the company during the course of the financial year was that of education of children.

### 3. TRADING RESULTS

The net operating surplus from ordinary activities of the company for the year before capital grants was \$442,290 (2022: \$7,507). After including income/expenditure from capital grants the surplus for the year was \$1,242,290 (2022: \$137,507).

### 4. MEASUREMENT OF PERFORMANCE

Korowal School operates within the annual budget and business plan. In 2023, we continued, to implement sound business and financial management practices that enabled the school to meet its key financial commitments.

### 5. OBJECTIVES AND STRATEGY

The School's short term objectives are to continue to provide quality education for students from Kindergarten to Year 12 consistent with the School's values.

The School measures its own performance through a number of financial and non-financial benchmarks; including analysis against the annual budget and strategic plan. The benchmarks are used by the Director's to assess the financial performance and sustainability of the School, and whether the school's short term and long term objectives are being achieved,

### 5. DIVIDENDS

The company's constitution precludes the payment of dividends to its members.

### 6. DIRECTORS' BENEFITS

No director has received or become entitled to receive, during the financial year, a benefit because of a contract made, except for those benefits shown in Notes 15 and 16 to the financial statements. Since the end of the previous year the only benefits received by directors relate to award salaries, staff fee discounts, fee needs bursary discounts, scholarships and award superannuation on the same basis as that disclosed in Note 16 to the financial statements.

## INDEPENDENT AUDIT REPORT TO THE MEMBERS OF KOROWAL SCHOOL LIMITED

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Korowal School Limited, which comprises the statement of financial position as at 31 December 2023, statement of profit and loss and other comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the Directors' declaration.

In our opinion, the accompanying financial report of Korowal School Limited is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act), including:

- giving a true and fair view of the company's financial position as at 31 December 2023 and of its financial performance and cash flows for the year ended on that date.
- complying with Australian Accounting Standards – Simplified Disclosures and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

#### Basis of Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standard Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Information Other than the Financial Report and Auditor's Report Thereon**

The Directors are responsible for other information. The other information comprises the information included in the Company's annual report for the year ended 31 December 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information, and accordingly, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Directors Responsibility for the Financial Report**

The Directors of the Company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Simplified Disclosure Requirements and the ACNC Act and for such internal control as the Directors determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations or have no realistic alternative but to do so. The Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control;

**Auditor's Responsibilities for the Audit of the Financial Report (continued)**

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors;
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation; and
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the company to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the company audit. We remain solely responsible for our audit opinion.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## NOTES TO THE FINANCIAL STATEMENTS

AT 31 DECEMBER 2023

### 1. CORPORATE INFORMATION

The financial report of Korowal School Limited was authorised for issue in accordance with a resolution of the directors on 15 April 2024.

Korowal School Limited is a company limited by guarantee, a registered charity with the Australian Charities and Not-for-Profit Commission.

The principal activity of the company during the financial year was that of a school, with the company operating in only one geographical location, being Hazelbrook NSW, Australia.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **(a) Basis of preparation**

The general-purpose financial report has been prepared in accordance with the requirements of the Australian Charities and Not-for-profits Commission (ACNC) Act 2012, Australian Accounting Standards – Simplified Disclosures, Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board.. The financial report has also been prepared on an historical cost basis (based on the fair value of the consideration given in exchange for assets) except for land and buildings which are measured at fair value less accumulated depreciation on buildings and any impairment losses.

The financial statements have been prepared on the going concern basis. The ability of the company to continue operating as a going concern is dependent upon continuing government funding for labour market programs.

The financial report is presented in Australian dollars, which is the company's functional and presentation currency. All values are rounded to the nearest dollar unless otherwise stated.

#### **(b) Significant accounting judgements, estimates and assumptions**

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgments and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgments and estimates on historical experience and other various factors it believes to be reasonable under the circumstances, the results of which form the basis of the carrying values of assets and liabilities that are not readily apparent from other sources.

Details of the nature of these assumptions and conditions may be found in the relevant notes to the financial statements.

KOROWAL SCHOOL LIMITED  
(a company limited by guarantee)  
A.B.N. 91 001 581 693

## NOTES TO THE FINANCIAL STATEMENTS

AT 31 DECEMBER 2023

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (c) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any impairment in value. Depreciation is calculated on a straight-line basis over the estimated useful life of the asset as follows:

- Buildings 40 years
- Plant and equipment 5 to 10 years

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or deficit arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the item) is included in the statement of comprehensive income in the year the item is derecognised.

#### *Impairment*

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists and where the carrying value exceeds the estimated recoverable amount, the assets are written down to their recoverable amount. The recoverable amount of property, plant and equipment is the greater of fair value less costs to sell and value in use.

Impairment deficits are recognised in the statement of comprehensive income.

#### (d) Borrowing costs

Borrowing costs are recognised as an expense when incurred, with the exception of loan establishment fees which are written-off over the term of the loan.

#### (e) Recoverable amount of assets

At each reporting date, the company assesses whether there is an indication that an asset may be impaired. Where an indicator of impairment exists, the company makes a formal estimate of recoverable amount. Where the carrying value of an asset exceeds its recoverable amount the asset is considered impaired and written down to its recoverable amount.

The recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset's value in use cannot be estimated to be close to its fair value less costs to sell and it does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash generating unit to which the asset belongs.

KOROWAL SCHOOL LIMITED  
(a company limited by guarantee)  
A.B.N. 91 001 581 693

## NOTES TO THE FINANCIAL STATEMENTS

AT 31 DECEMBER 2023

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **(f) Inventories**

Inventories are valued at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business.

Costs have been assigned to inventory on hand at balance date using the first in first out basis and are determined based on invoice price.

#### **(g) Cash and cash equivalents**

Cash and cash equivalents in the statement of financial position comprise cash at bank and on hand and term deposit with terms of three months or less.

For the purposes of the statement of cash flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of bank overdrafts.

#### **(h) Interest-bearing loans and borrowings**

All loans and borrowings are initially recognised at cost, being the fair value of the consideration received net of issue costs associated with the borrowing. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method.

#### **(i) Provisions**

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

#### **(j) Leases**

Finance leases, which transfer to the company substantially all of the risks and benefits incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased property or, if lower, at the present value of the minimum lease payments.

Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income.

Capitalised leased assets are amortised over the shorter of the estimated useful life of the asset or the lease term.

Leases where the lessor retains substantially all of the risks and benefits of ownership of the asset are classified as right of use assets

## NOTES TO THE FINANCIAL STATEMENTS

AT 31 DECEMBER 2023

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **(k) Revenue**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

##### *Sale of goods*

Control of the goods has passed to the buyer.

##### *Rendering of services*

Control of the right to receive payment for the services performed has passed to the company.

##### *Interest*

Control of the right to receive the interest payment has passed to the company as the interest accrues.

#### **(l) Taxes**

##### *Income tax*

The company is exempt from income tax under section 50-45 of the Income Tax Assessment Act 1997.

##### *Goods and services tax (GST)*

Revenues, expenses and assets are recognised net of GST except:

- where the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables are stated with the amount of GST included.

The net amount of GST receivable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority are classified as operating cash flows.

#### **(m) Government grants**

Grant revenue is recognised in the statement of comprehensive income when the company obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the company and the amount of the grant can be measured reliably.

If conditions are attached to the grant, which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the company incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise grant income is recognised as income upon receipt.

### Assets pledged as security

A mortgage over the land and buildings of the company has been granted to ANZ as security for their loan (see note 12).

### Valuations

Kenny and Good Pty Ltd conducted an independent valuation of the company's land and buildings in November 2016. The valuations determined relating to assets held at that time were as follows:

- Land and buildings 5,685,000

The directors are of the opinion that the land and buildings are not being carried in excess of their recoverable amounts at that time or at year-end.

### Terms and conditions

#### *Loan – ANZ Tailored Business Facility*

The company refinanced its finance facilities with the ANZ Banking Group.

The facility comprises a fixed rate portion of \$2,300,000, with the interest rate fixed for periods ranging from three to five years, with the balance of the facility being at interest rates prevailing at the time of the bill roll-over.

Under the terms of the facility, the company is required to make principal repayments of \$15,000 per month and to meet certain financial and non-financial covenants.

As at 31 December 2023 the balance of the facility was \$1,805,000 (2022:\$1,855,000).

The bank facility is secured by a registered mortgage over the company's land and buildings and a general security agreement over all present and after-acquired property.

### Finance facilities

#### *Net Fair Values*

The net fair values of the financial assets and financial liabilities of the company at balance date approximate the book values as disclosed in the statement of financial position.

### 17. SUBSEQUENT EVENTS

No matters or circumstances have arisen since the end of the financial year which significantly affected, or may significantly affect, the operations of the company, the results of those operations or the state of affairs of the company in financial years subsequent to 31 December 2023.

### 18. ECONOMIC DEPENDENCY

The ability of the company to continue operating as a going concern may be dependent upon the continued financial support of the State and Federal Governments and its bankers.

### 19. CONTINGENT LIABILITIES

#### **Building Education Revolution Funding**

Funding received by the company from the Federal Government in previous years under the "Building Education Revolution" ("BER") scheme has certain conditions attached. Under the terms of the Funding Agreement, the facilities built using the BER funds are not to be sold and are to be used for the approved purpose for a period of twenty years.

Should the company sell the facilities built using the BER funding, or cease to use them for their intended purpose during the twenty-year period, it may be liable to repay a portion of the BER funding received.
